

Hillrom™

Centrella® Smart+ Bed
Therapeutic Surfaces

Innovative support surfaces help manage pressure, shear and moisture to deliver optimal wound prevention and healing.

Proven solutions to help reduce pressure injuries and their associated costs.

Centrella® core Surface

NON-POWERED PRESSURE REDISTRIBUTION DESIGNED TO ENHANCE PATIENT COMFORT.

- Sloped heel section can help off load pressure in the vulnerable heel area.
- Four-way stretch ticking helps with patient immersion and envelopment.
- RF welded seams help prevent fluid ingress.

11%↓

Multi-Layer Foam Construction

Up to 11% less peak sacral pressure.¹

Centrella® pro Surface

TARGETED AND CUSTOMIZED NON-POWERED PRESSURE REDISTRIBUTION FOR OPTIMAL PATIENT SUPPORT AND COMFORT.

- Viscoelastic foam contours to patient's unique body shape, increasing envelopment, helping to improve patient comfort.
- 36" or 40" width options support broader range of patients with higher BMIs.

21%↓

Targeted Pressure Redistribution

Up to 21% less peak sacral pressure.¹

5X↑

Best-In-Class Comfort

Rated 5X more comfortable.²

Centrella® pro+ Surface

INTEGRATED ADVANCED MICROCLIMATE® THERAPY HELPS MANAGE HEAT AND MOISTURE IN SECONDS.

- Provide microclimate management on demand with the integrated pump.
- Eliminate wait time and effort required to install an external pump or transfer patient to a low air loss surface.

2.5X↑

Focused Advanced Microclimate® Technology

Removes up to 2.5x more heat and 4x more moisture.³

4X↑

8%↓

Targeted and Customized Pressure Redistribution

Up to 8% less peak sacral pressure.³

Centrella® max Surface

ADVANCED TECHNOLOGY DELIVERING SUPERIOR PRESSURE REDISTRIBUTION AND MICROCLIMATE MANAGEMENT.

- Side-sitting detection to help provide stability and support.
- Advanced bottoming out protection for patient safety.
- Patient comfort adjust for personalized settings.

4X↑

Focused Advanced Microclimate® Technology

Removes up to 4x more heat and 7x more moisture.¹

7X↑

13%↓

Weight-Based Pressure Redistribution

Up to 13% less peak sacral pressure.¹

77%↑

Enhanced Turn Assist

More effective turn in 77% less time.¹

Hillrom™

ABOUT HILLROM

Hillrom is a global medical technology leader whose 10,000 employees have a single purpose: enhancing outcomes for patients and their caregivers by advancing connected care. Around the world, our innovations touch over 7 million patients each day. They help enable earlier diagnosis and treatment, optimize surgical efficiency and accelerate patient recovery while simplifying clinical communication and shifting care closer to home. We make these outcomes possible through connected smart beds, patient lifts, patient assessment and monitoring technologies, caregiver collaboration tools, respiratory care devices, advanced operating room equipment and more, delivering actionable, real-time insights at the point of care. Learn more at hillrom.com.
