Welch Allyn[®] Connex[®] Clinical Surveillance System

SmartCare[™] Services Program

**UNIQUELY
COMMITTED
TO PROVIDING
THE TECHNICAL
SUPPORT
YOU NEED**

We've got you covered with services and support plans to help keep your Welch Allyn® Connex® Clinical Surveillance System up and running. We offer a plan to ensure you have the most current software, as well as proactive maintenance options—all at an affordable cost. As your extended service team, we are here to handle your support needs, allowing you to focus on what's most important—quality patient care.

PREDICTABLE COSTS

All costs for your support program are discussed upfront so there are no surprises along the way.

SIMPLIFIED SUPPORT

No need to worry about your system—if service is needed, simply call us and we'll work to resolve any issues. We're here to help enhance your efficiency by making sure your system is available when you need it.

INVESTMENT PROTECTION

We understand that budgets are tighter than ever before, and once you make an investment, you expect it to last. That's why we tailor coverage for your current solutions and software, as well as future releases, to ensure your technology investments can evolve as your needs change.

PARTNERSHIP

Hillrom support professionals are all employed by Hillrom directly, so there is no third-party involvement. We partner with your internal team every step of the way and never try to “take over” your existing procedures or departments.

Protect your patients with proactive service solutions.
